

To: Basketball Participants, Coaches, and Parents

After the move into Phase 3 on July 1st we monitored the requirements and guidelines issued by the Governor's office for Basketball. Based on the restrictions, we have decided to **postpone** our very popular basketball tournament to December 18th, 19th & 20th. These dates will be the last weekend prior to the "Black Out Period" for travel teams and we are expecting a large turnout. Our policy remains to issue refunds to all teams which are currently registered. You will have the option to have your registration fee applied to the December tournament if you choose. **All teams extending their registration fees to the December tournament will receive **FREE** Virginia Commonwealth Games T-Shirt for the team and coaches appearing on the roster. If you do NOT want to transfer your registration to the December date, please email info@commonwealthgames.org and provide your Team Name and Division.

We appreciate your patience in what is a challenging time to schedule and manage contact sporting events. We simply felt it was not possible to hold a quality basketball event given the current restrictions.

Your health and safety remain our top priority. Please continue to check our website for updates and we look forward to seeing your teams in December.

Best to all!

Dan Foutz
