

Virginia Commonwealth Games Rimfire Shooting Guidelines:

- 1. Parents/Coaches are encouraged to supply their shooters with antibacterial wipes and hand sanitizer for disinfecting and cleaning hands and equipment between stages.**
- 2. Shooters are allowed to wear face covering if they choose.**
- 3. Coaches and competitors must maintain a minimum 6 foot distance from each other.**
- 4. Participants must use their own equipment and avoid touching each other with their hands. Anyone sharing equipment must sanitize before and after use.**
- 5. Spectators must practice social distancing while at the facility.**
- 6. All spectators should remain at a six foot apart unless you are family.**
- 7. Face coverings are highly encouraged at the facility.**
- 8. Frequently touched areas will be sanitized multiple times daily.**

We realize that these restrictions are not normal for us, but we must follow these rules in order to run the event. As always, our main concern is the health and safety of our players and their families.
