*Events denoted with “Able” in the title are part of the new Able Games. The Virginia Commonwealth Games has made it a mission to broaden its sport offering to include athletes who may have a physical and/or intellectual disability. It is important that all athletes feel included and are given the opportunity to not only win a medal, but to have an unforgettable experience while participating in a sport they enjoy. In 2023, the Virginia Commonwealth Games will be hosting the Able Games composed of 5 different events: rugby, baseball, fishing, soccer, and track & field. As excited as we are with the introduction of the Able Games, these 5 events will just scratch the surface.

The goal is to add more opportunities each year for these amazing athletes.

We look forward to the future of the Able Games!
